5.5 Procedures. Any claim subject to indemnification under this Section 5 will be subject to the following provisions: (a) the indemnifying Party will be given prompt written notice of the claim by the indemnified Party, provided that any delay in providing notice will not relieve the indemnifying Party of its indemnity obligations under this Agreement unless, and only to the extent, the indemnifying Party was prejudiced by the delay; (b) the indemnifying Party will have the right to control the defense and all negotiations relative to the settlement of any such claim, provided that no settlement admitting liability on the part of the indemnified Party may be made without the express written

Notwithstanding, a receiving Party may disclose such Confidential Information that is required by law to be disclosed if the receiving Party gives the disclosing Party prompt written notice of such requirement prior to such disclosure and assistance in obtaining an order protecting the information from public disclosure. Neither Party shall reverse engineer, disassemble or decompile any prototypes, software or other tangible objects which embody the other Party's Confidential Information and which are provided to the Party hereunder.

Neither Party shall make any copies of the Confidential Information of the other Party unless the same are previously approved in writing by the other Party. Each Party shall reproduce the other Party's proprietary rights notices on any such approved copies, in the same manner in which such notices were set forth in or on the original.

• If any Termination Event occurs, termination will become effective immediately or on the date set forth in the written notice of termination. Termination of this Agreement will not affect the provisions regarding Customer's or Company's treatment of Confidential Information, provisions relating to the payment of amounts due, or provisions limiting or disclaiming Company's liability, which provisions will survive termination of this Agreement.

7.4 Survival and Termination Obligations. Immediately upon expiration or termination of this Agreement for any reason whatsoever, Customer will cease all access to and use of the Service and the Program. 8.3 Limitation on Claims. No action arising out of any breach or claimed breach of this Agreement or transactions contemplated by this Agreement may be brought by either Party more than one year after the cause of action has accrued. 8.5 Force Majeure. Neither Party will incur any liability to the other Party on account of any loss or damage resulting from any delay or failure to perform all or any part of this Agreement if such delay or failure is caused, in whole or in part, by events, occurrences, or causes beyond the control and without negligence of the Parties. Failure, neglect, or delay by a Party to enforce the provisions of this Agreement or its rights or remedies at any time, will not be construed and will not be deemed to be a waiver of such Party's rights under this Agreement and will not in any way affect the validity of the whole or any part of this Agreement or prejudice such Party's right to take subsequent action. No exercise or enforcement by either Party of any right or remedy under this Agreement will preclude the enforcement by such Party of any other right or remedy under this Agreement or that such Party is entitled by law to enforce.

8.7 Severability. If any term, condition, or provision in this Agreement is found to be invalid, unlawful or unenforceable to any extent, the Parties shall endeavor in good faith to agree to such amendments that will preserve, as far as possible, the intentions expressed in this Agreement. If the Parties fail to agree on such an amendment, such invalid term, condition or provision will be severed from the remaining terms, conditions and provisions, which will continue to be valid and enforceable to the fullest extent permitted by law.

8.8 Integration. This Agreement (including Exhibit A) contains the entire agreement of the Parties with respect to the subject matter of this Agreement and supersedes all previous communications, representations, understandings and agreements, either oral or written, between the Parties with respect to said subject matter. This Agreement may not be amended, except by a writing signed by both Parties.

8.9 Purchase Orders. No terms, provisions or conditions of any purchase order, acknowledgement or other business form that Customer may use in connection with the acquisition of the Service will have any effect on the

rights, duties or obligations of the Parties under, or otherwise modify, this Agreement, regardless of any failure of Company to object to such terms, provisions or conditions.
